Dear Sir;

Your letter of March 10th has just been received.

Your cheque for $15.00, for dues for the current yearm was duly received, there was some delay in depositing it, which no doubt accounts for its non receipt when you had your book balanced.

Very truly yours,

Treasurer.

Dear Sir:-

Your letter of March 6th was presented at the last meeting of the Council of this Society, and I have been instructed to enquire whether you would not consider becoming an associate member at the end of this year. This would insure the continuance of your contact with our Society, and we should very much like to have you continue as one of our members.

Dear Sir:-

Your letter of April 18th addressed to me and enclosing your check for $15.00 and my receipted bill for your 1918 dues just received.

Through an evident oversight on your part, you have returned the bill which you paid, and which I receipted March 25th. Therefore I am returning your check and the receipted bill.

You could not have received the letter of April 9th, (a copy of which I enclose), from Mr. Noe, our Secretary, when you wrote last.

May I also suggest that you transfer to Associate Membership at $5.00 a year, and continue to receive our Journal and the Numismatist? You can thereby keep in touch with our activities and the spirit of American Numismatics.

Are you especially interested in any series about which we could keep you posted ?

Yours very truly,

Treasurer.

Dear Sir

Your favour of May 14th re my being transferred to associate membership in your Society was duly rec'd. but afterwards mislaid & forgotten. I am quite willing to do as you suggest & become an associate member. I am sorry to say that, for various reasons I am unable to take any further active interest in numismatics, & therefore suggest that you do not send me the Journal or the Numismatist in future as I am not in a position to use them. Hoping this above meets your approval please believe me

Yours Very Truly

To the Secretary
Dear Sir

I wrote you some time last year telling you I wished to resign from your association, as I could not avail my self of its benefits, but was asked to continue as a non residents (or some such term) member, to which I agreed. Now however comes the enclosed, showing that no change has been made — will you therefore, kindly, accept my resignation as of the date when I made it, & oblige

Yours Very Truly
J. J. White.

When I wrote, consenting to continue as a non resident member, I asked you not to send me your magazine, or any other printed matter. No attention was paid to that request, other are still coming! —
